

## Grayling High Receives Honor Society Charter

The Grayling High School received its charter for the National Honor Society of Secondary Schools on January 10, 1963. The name of the local chapter will be "The AuSable Chapter."

Membership in this chapter shall be based upon scholarship, service, leadership and character.

Members of this chapter shall be chosen as probationary, active, and inactive. The probationary members have no vote. Active members become full members at graduation. Probationary members must be in the top 100 students and have a minimum 2.5 average.

Members of the sophomore class may be chosen as probationary members of the chapter if they satisfy all the requirements placed upon candidates from the junior and senior classes.

Candidates must have spent at least one semester in the Grayling Public School. All candidates must have a minimum B average or better.

The candidates for the chapter will be voted on by the Grayling High School faculty. The faculty members will consider leadership, character and service when making their selections. Scholarship is set by the National Honor Society.

A National Honor Society member must maintain the standards for membership in order to retain his membership. A member will be allowed only one warning period. Once a member is dismissed from membership, he is never again eligible for membership in the National Honor Society.

The National Honor Society of Secondary Schools was founded by the National Association of Secondary School Principals in 1921. There are over 11,000 local chapters in the United States.

The founders of these school organizations established the National Honor Society to stimulate the high school student, constructive leadership, purposeful service, and worthy character of the students in the secondary schools of this country.

A meeting of the candidates will be held the first part of the second semester for the election of officers.

## Dr. E. R. Britton Elected Boy Scout President

Dr. Ernest R. Britton, Superintendent of Midland Public Schools, was elected president of the Paul Bunyan Council, Boy Scouts of America last Saturday at the 12th Annual Business Meeting of the Council held at Houghton Lake High School. He succeeds Donald Daw, Sr., Roscommon, who has served for two one year terms.

Other council officers include vice presidents, Albert T. Maasberg and R. Paul Schreiber of Midland and Merle E. Hopper, Higgins Lake; Scout Commissioner, T. McVey Hays, and Alan W. Ott, Treasurer, both of Midland. Arthur E. Henry, Scout Executive, serves as secretary of the council. Howard Day and Carroll West of Grayling attended the meeting.

## BOWHUNTERS NOTICE

The Bow Hunters annual meeting scheduled to be held at the club house on January 28th will be held on that date but at the Bear Archery Company trophy room instead of the club house.

## What - Where - When

- Jan. 17 — Band Boosters meeting, 8 p. m. in GHS Band Room.
- Jan. 19 — L.N.L. Card Party at Mrs. William Heric's, 8 p. m. Public invited.
- Jan. 19 — Pancake supper and "kiddies" sale 5 to 7 p. m. Mt. Hope Lutheran Church Parish Hall.
- Jan. 19 — Tip-Up Town Square Dance, Western style, 8:30 p. m., Houghton Lake High School.
- Jan. 21 — Womens Club, 8 p. m. at the Club House. Spanish program by Mrs. Joseph Stripe.
- Jan. 22 — Important Womens Club board meeting. Bring yearly report data, 7:00 p. m. at the club house.
- Jan. 22 — Budgeters meet at Mrs. Milford Moggo's, 8 p. m.
- Jan. 24 — Our Gang - Mrs. Richard Loveloy. Note date change.
- Jan. 24 — Grayling Lodge 356, F. & A. M. special communication to confer the Fellowship degree, 7:30 p. m.
- Jan. 26 — Budgeters card party at Mrs. Clayton Hildebrand's, 8 p. m.
- Jan. 28 — Exchange student council meeting, 7 to 8 p. m. Lounge GHS gym. All club representatives should attend.
- Jan. 30 — Crawford County Republican Committee. Note date change.
- Jan. 30 — Grayling Chapter 83, O.E.S. will have a paint party. Husbands invited, 7:30 p. m.
- Jan. 31 — Lutheran Senior Aid at home of Mrs. Algot Johnson, 2:30 p. m.
- Feb. 14 — L.N.L. Regular meeting, American Legion Hall. Note date change.

## LOSE FOURTH GAME

# Vikings Host Boyne Friday

The Grayling Vikings will play hosts to the Boyne City Ramblers at the Grayling gym this Friday night and will attempt to get back on the victory trail. The long, cold trip to Pellston last Friday night, the Vikings found the way home even longer as the Hornets dropped them 66 to 40 for their fourth consecutive loss.

In their other Friday night game, the Harbor Springs Rams overwhelmed the Marquette Ironmen, Boyne City dropped East Jordan 81 to 48 and Gaylord won over Charlevoix 55 to 49.

Pellston took a 17 to 13 first period lead Friday night on their small floor and edged out to a 27 to 22 halftime bulge. In the third frame, the Hornets scored 10 points to the Vikings' 11 to move far ahead. In the last quarter, Grayling tried the desperate gamble of pressing and the Hornets came through with 24 points to Grayling's 7.

Fast breaking against a Viking defense that was slow in setting up was the main reason for the loss, coach Bruce Smith said. He also added that the Vikings seem

ed to chuckle up slightly as the tide of battle was moving against them. Tim Neal with 12 points was high for Grayling with Chris Kroll adding 9. Tom Wright and Steve Dawson 3 each. Neal also grabbed rebound honors with 12 with Wright adding 8. Grayling scored on 16 field goals and 8 out of 14 free throws. The Hornets hit 26 times from the field and 14 out of 18 charity attempts. Clear with 22 points was high for Pellston.

Friday night's game would appear to be about a tossup. Boyne City showed real power in crushing East Jordan last Friday but on other occasions this season have performed rather poorly. Grayling being on their home floor will have a slight edge. To get back to winning ways, the Vikings will need to sharpen their defensive play and also to zip up their offense.

The little Vikings made out better than the varsity as they stopped the Hornets reserves 51 to 44. Pellston moved out to a 21 to

(Continued on Page 8)

## Sudbury Star Publishes

# Canadian Newspaper Columnist Tells Readers Of Grayling

Michigan Interstate 75 was given a kind word in a column written by Robert Evans, columnist of the Sudbury, Ontario, Canada Star in the December 10th issue.

The Avalanche came by the column through the Crawford County Chamber of Commerce manager Robert Hayes who in turn had received the newspaper page from Pat Kahoun of the AuSable Motel.

Mr. Evans starts his column with a bit on Michigan Highway US-23 and then goes on about the new expressway. He then devotes at least one fourth of his entire column to Grayling and the area.

The column states: "If a Sudburyan feels tempted to try this new route Interstate 75 when he heads south after the New Year, we suggest that he encompass the 200 miles to the Soo, cross the bridge, and then drive another 100 miles south to the town of Grayling in the center of the state. In the spring, summer and fall, Grayling is famous for fishing in the AuSable River. But equally famous as a skiing center, it is also fitted to offer comfortable accommodations to the motorists in the winter season. The Grayling

Winter Sports Park is Michigan's pioneer skiing area. It has eight ski runs, 12 ski lifts, a large skating rink, and a sizeable shelter lodge. The ski slopes are lighted for night skiing. The Sports Park also has the world's largest and fastest toboggan slides. Speeds up to 120 miles an hour have been clocked on the course."

"A Grayling booster, Pat Kahoun, of the AuSable Motel, suggested that Florida-bound Sudburyans pack their skis. They'll go no further," he laughed.

Even as a boy we had heard of the AuSable River. The community goes a long way back in state history, especially in lumbering. Authentic Indian artifacts, drums, bows and arrows and quivers decorated the dining room of a hotel where we ate breakfast. "Huge stretches of the AuSable River and its banks are now public property, owned by the State of Michigan."

"There is still a considerable amount of private ownership of resorts in the area, however, dating back to the days when the AuSable was a fine grayling and trout stream."

The Canadian newspaper columnist then finished his article with a description of his trip from Grayling on to Port Huron in a heavy snowstorm. This type of publicity for any community is the best possible and no amount of money can buy it. However, it is available absolutely free when some local citizen takes the time to welcome visitors in the area and answer their questions about Crawford County and its attractions.

## The Methodist Men

The December meeting of the Methodist Men's Club was held in conjunction with the Family Christmas Party. The work session which followed the party accomplished much. All the Christmas trees were readied for trimming and 300 boxes of candy were filled for children of the Church School and their teachers.

A new board of directors was selected and from this number a slate of officers was elected for the coming year. The new directors are Hurl-Deekrow, Calvin Knowles, Ernie Larson, Glen Noll, Shirley Arnold, Rev. Fennell, Roy Widge, and Barney Engel. The new officers for the coming year are President, Barney Engel, Vice-President, Calvin Knowles, Secretary-Treasurer, Ernie Larson.

## W.S.C.S. Plans Another Business Luncheon

The Women's Society of Christian Service will again provide a business luncheon to be served at the Michels Memorial Church on Wednesday, February 13th, in celebration of Valentine's Day. Everyone is welcome to attend, just come as you are. All proceeds from the luncheon will be given to the Student Exchange Fund.

## Grayling Homemakers Plan Clothing Drive

The Grayling Future Homemakers of America will hold a clothing and toy drive on Wednesday, January 23rd. Certain girls will be assigned to call at each home after 4 p. m. to pick up all clothing and toys. All clothing and toys will be accepted regardless of condition as they will be repaired and given to needy families.

Joan Henderson, reporter

## County Board Meeting Held In Roscommon

Members of the County Board of Education and school superintendents from Crawford, Roscommon, Ogemaw and Oshtemo gathered at the Roscommon Court House last Thursday evening to discuss mutual problems pertaining to House Bill PA 190, the intermediate school district law (redistricting of county school districts). Briefly the bill demands that a county school district must have 5000 membership students in K thru 12 or else join with other county districts, the total group not to exceed three counties, to obtain a 5000 total or as close to the number as possible.

While the bill was passed several years ago, the legislature had allowed postponement of its enforcement until this year. The law further states that if the districts do not make arrangements to join by themselves then the State Department of Public Instruction will step in and do it for them. In addition this redistricting is subject to a vote of the people and a final OK by the state department.

This does not affect the local school districts, only the county districts. The purpose given for the passage of the bill is to enable the state department to save money and at the same time provide for a better education at the county school level.

Attending the meeting from Crawford County were Bill Joseph, Norval Stephan, Ace Leng, Joseph Stripe, Leroy Millikin and Wesley Kumpula.

Another meeting of Northern Michigan County School Boards is scheduled for Thursday evening, January 24th, at 7:30 at the Gaylord Court House to be hosted by the Oshtemo County Board of Education. The purpose is to further discuss consolidation of county school districts into intermediate school districts. Mr. George Schutt, consultant on School Organization of the Department of Public Instruction, Lansing, is to attend.

## New Cancer Crusade Chairman Announced

Mrs. B. E. Hunic, County Chairman of the American Cancer Society, announces that Mrs. Leonard Knobs is the new 1963 crusade chairman.

Mrs. Knobs and Mrs. El Beery, public education chairman of the society, attended a luncheon meeting held in Cheboygan, at Pierres Restaurant last Thursday, which was in the nature of a workshop for new Crusade Chairmen.

Mr. Carl Thompson, the new district representative replacing Maynard Reghi, was present at the meeting. Five of the seven Counties in the district were represented. It was pointed out that 1963 has been designated as the "Year of the Volunteer." There are over two million volunteers in the United States working for the Cause of Cancer, more than several other service organizations combined. The theme "Knock On Every Door" was also stressed. To convey the two ideas, several film strips were shown.

Have You had your Check-Up? Almost a year has passed since the cytology program was sponsored by the Crawford and Roscommon Cancer Societies. It is recommended that women have these tests at least once a year to help wipe out fatal cervical cancer. Won't you please make your appointment soon?

## L. N. L. To Sponsor Card Party

The Ladies National League is sponsoring a card party at the home of Mrs. William Heric on Saturday, January 19th at 8:00 p. m.

Hostesses are Mrs. Rudolph Feldhauser and Mrs. Harold Hatfield, Sr.

The public is cordially invited.

## Ernest D. Lozon Enlists In Army

Ernest D. Lozon, the son of Mr. and Mrs. Chester Lozon of Rural Route, Grayling, has enlisted in the U. S. Army for a 3 year term.

Choosing his assignment prior to enlistment, Ernest, chose to receive training as a heavy truck driver.

Lozon, a former student at the Grayling Public High School has been assigned to Fort Knox, Ky., for basic military training.

## FREE ADVISE FOR VETERANS

Thomas B. Mitchell, Field Service Officer for the Marine Corps League, was unable to get to Grayling on January 9th as planned and will be here on January 30th.

He will be at the Crawford County Court House in Grayling from 10 A. M. to 4 P. M. to help men and women formerly in all branches of the service and/or their dependents with any benefits for which they may be eligible.

There is no charge for this service.

# Penny Pettyjohn Named Miss Grayling Of 1963

Pictured above center is the new Miss Grayling of 1963 Penny Pettyjohn after she received her crown. She is flanked by her court of honor. From the left to right are pictured: Toni Madsen, Carole Gross, Queen Penny, Sharon Williams and Julie Carlson.

## Eagles Lose To Alba, 51 - 45

The Frederic Eagles were topped by the Alba Wildcats at the Frederic gym last Friday night by the tight score of 51 to 45. The Eagles under their new coach, Bill Johnson, showed a great deal more of promise in this game and except for a poor second quarter played the visitors even.

Both teams scored 12 points in the opening frame with Alba hitting for 18 points to Frederic's 11 in the second quarter to grab a 30 to 23 intermission lead. In the third quarter, the Wildcats tallied 15 points to the Eagle's 10. In the final stanza, Frederic outscored the visitors 12 to 6 but fell just short.

Terry Lait with 13 points paced the Frederic attack. He was ably assisted by Fred Wilson with 10. Alba's top scorers were Russ Neal with 17 and Krause with 13.

The Eagles made out a little better in the evening's opening game as they defeated the Alba junior varsity 50 to 36. Frederic jumped off to a 10 to 6 first period lead and moved on to a 21 to 18 halftime edge. A big 20 to 9 third period put the game on ice for the Eagles who were outscored 11 to 9 in the final canto.

Ricky Post with 17 and Steve Weaver and Fred Blaauw with 8 each led the Frederic attack. Brown with 16 was high for the Alba reserves.

This Friday night, the Eagles and Alba play hosts to the varsity and junior varsity squads of the Ellsworth Lancers. Ellsworth is always a well coached quintet and Frederic is expected to have their hands full.

## Kiwanis Club Notes

By Wes LaGrow

Members of the Kiwanis Club of Grayling were treated to something a bit different in programs at their Monday night meeting held at the Chief Shopnagons Motor Hotel. Dick Spafford of Flint, a grapho-analyst was introduced to the club by Clarence Holcomb who was in charge of the program.

Mr. Spafford is a specialist in the examination of handwriting and after telling the club members something about it, had each man write something down which he analyzed for them.

## School Notes

The School Boards of the six K-12 districts in Ogemaw, Roscommon and Crawford Counties were to meet in the Library of the Roscommon High School at 7:30 p. m. Wednesday evening to discuss the intermediate school district.

Semester exams were to start Wednesday.

Thursday semester exams continue. There will be an F. H. A. business meeting in the Homemaking Room at 4 p. m. Thursday.

The Grayling Ski team meets with Petoskey and Gaylord here at 1:30 p. m. Thursday.

Friday report cards are issued.

The Student Council sponsors an after-game dance in the gym Friday night. Sponsors are Mr. Bond and Mrs. Balcer from the faculty, with Mr. and Mrs. El Deary and Mr. and Mrs. Gus Williams as the parent sponsors.

## Take Tax Refund In Savings Bonds, Chairman Urges

If you're in line for a refund on your 1962 Federal income tax return, County Savings Bonds Chairman Mr. John H. Alef has a word for you. Two words, in fact: buy bonds.

This year for the first time, Mr. Alef points out, Uncle Sam is making it possible for you to take your refund in Series E Savings Bonds by the simple expedient of putting an "X" in the appropriate box on the tax form.

Last year some 40 million taxpayers received refunds on their taxes. Judging from samplings of opinion, a lot of them would have preferred to get their money in Savings Bonds if they'd had the chance. Bond Chairman Alef, who is President of the Grayling State Bank, wants to make sure any of them who live in Crawford County know they now have that chance.

The way the bond option works is simple. The Treasury will issue the smallest possible number of E Bonds of the largest possible denominations to cover the amount of the refund. If there's anything left over, a check will be written for the balance. The one complication comes if the cash balance is from one to 99 cents, since the check-issuing apparatus can't handle anything less than a dollar. Details are given in the instruction.

What about joint return? Mr. Alef gave us the answer to that one too. "John and Mary Smith" on the tax return becomes "John or Mary Smith" on the bond registration, making them co-owners.

## SKI MEET RESULTS

Saturday, January 12, 1963. Traverse City came out on top in the boys end of the three school meet, followed by Leelanau then Grayling. Traverse City beat Leelanau by only 3 and 7 tenth seconds.

The order in which the boys came in from Grayling are as follows: Slalom, Mark Anderson, Pat Buron, Mickey Stillwagon, John Cook, Jack Welch then Randy Thompson (only the top four are counted). Giant Slalom, Jack Welch, Mark Anderson, Mickey Stillwagon, John Cook, Randy Thompson and Pat Buron, who was disqualified because of a fall.

In the girls' half of the meet Traverse City came out first. Leelanau second and Grayling third. The Grayling girls came out in this order: Slalom, Hannah Kroll, Camilla Marshall, Lauri Olson, Rhea Stripe, Jody Wyman and Karen Lowrie, who was disqualified. Giant Slalom, Lauri Olson, Hannah Kroll, Karen Lowrie, Camilla Marshall, Rhea Stripe then Jody Wyman (only the top three were counted).

Jack Welch, reporter

## Blaze Destroys M. Forest Home

The Orley Strachly home on Babbitt Road in Maple Forest Township was completely consumed, along with the contents, by a fire which swept through it about noon last Friday.

The Frederic Volunteer Fire Department was called out shortly after 11 a. m. to battle the blaze. Frederic Fire Chief Arthur Mayer said that by the time the department equipment reached the scene, eight minutes to be exact, the building was in total flames. Conservation fire equipment from the Grayling station was also on the scene.

Chief Mayer told the cause of the fire was a defective chimney. The Strachlys didn't even have a chance to get their coats as they were forced from the house by an almost explosive spread of the flames.

Both Mr. and Mrs. Strachly as well as their two-year-old daughter received burns. Mr. Strachly about the face. Mrs. Strachly about the legs and the little girl on the hands. They were advised to seek medical attention. The building was covered by insurance, it was said.

No local people due to television appearance but he spoke at several meetings in Grayling and other spots in the area where he met many folks. He left Traverse City to return to Guam where he handles special shows for the government of Guam on television at that Pacific Island. He then in 1962 came to the new Grand Rapids station.

It was also announced that Grayling's own musical group, the Mystics, fresh from a recording session in Lansing, Michigan, in December, will furnish the music at the Queen's Ball. The group composed of Larry Andrews, Jon Bond, Pat Cox and Walt Fallon will be sponsored for the dance by the Bear Archery Company as an aid to the Carnival committee.

Other committees of various events during the Carnival are hard at work getting plans lined up and other preceding work accomplished. It was felt that a complete Carnival program could be presented by next week.

The group composed of Larry Andrews, Jon Bond, Pat Cox and Walt Fallon will be sponsored for the dance by the Bear Archery Company as an aid to the Carnival committee.

## GRANGE SPONSORS POT LUCK DINNER

The Crawford County Grange is sponsoring a pot-luck dinner to be held at the hall on Monday evening, January 21st, at 6:30.

This is an open party. The public is cordially invited. Please bring table service and a dish to pass.

There will be a charge of \$1.00 per person which also covers the cost of the card party following dinner for which there will be prizes.

Grayling Department Aids  
In Roscommon Blaze

The City of Grayling - Grayling Township pumper and six firemen were dispatched to Roscommon shortly before eight A. M. Tuesday morning to help in a \$100,000 blaze that destroyed the LaRocque lumber company and also damaged the General Telephone Co.

A 36 below zero reading was reported at Roscommon and many of their fire hydrants were frozen. The Grayling pumper backed up to the South Branch of the AuSable River in Roscommon and pumped water to the fire scene.

Six communities sent equipment to the blaze. The Grayling pumper returned to Grayling about ten A. M. but left their hose at the site as the blaze although under control was still not completely out.

## GHS Seniors To Hold Chicken Dinner, Jan. 26

The G. H. S. Senior class is planning a chicken dinner to be held Saturday evening, January 26th. The dinner will be in the gymnasium from 5:00 to 7:00 p. m. Prices are 75c for children 12 and under and \$1.50 for adults.

## DEMAND FOR RECREATION LAND IN MICHIGAN IS VERY HIGH

### CREATE LAND

Recreation lands are in great demand in Michigan and most of the state's recreation areas are in the hands of the state or federal government.

One of the most important of these areas is the state's own lands. The state has a large area of land which it has set aside for recreation purposes.

The state's own lands are in the hands of the state or federal government. The state has a large area of land which it has set aside for recreation purposes.

## The New Congress . . .

The New Congress, to say what everybody who reads the newspapers knows, will have plenty of business on its hands. Much of it, in a sense, will be unfinished business. It will consist of those major measures which the Administration proposed in 1962, and which either fell by the wayside when the vote was taken, or did not reach the voting point at all.

The November elections, as always, brought about some changes in the dramatic personae of Congress. The Democrats made small Senate gains; the Republicans did the same in the House. But party labels blur nowadays and there is rarely such a thing as a solid party phalanx for or against any particular piece of legislation. The various commentators have discussed at great length what they think — or hope — the majority in the two branches will stand for. We will know that, for sure, eight or ten months from now. Meanwhile the lines form and the battles are readied.

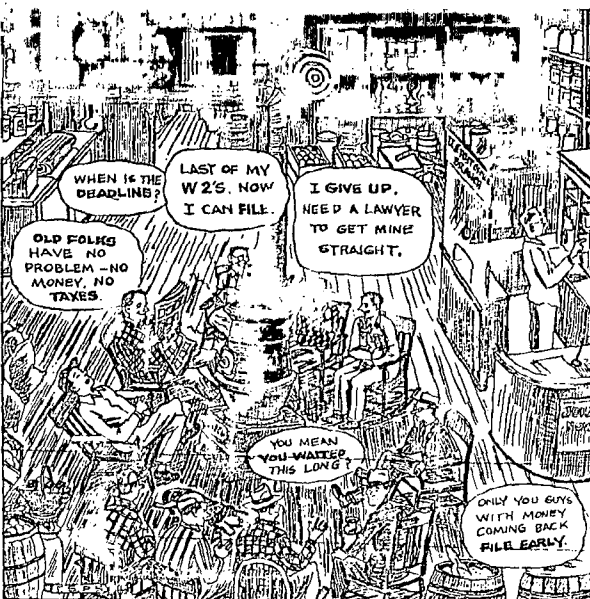

In this, we need not consider foreign policy in its principal aspects — here, by Constitutional authority and general agreement, the President is supreme. In the cold war, the nation must speak with one voice, and that voice is his. But domestic policy is an entirely different matter. For example, it is likely that the Administration will throw all the weight and authority it can muster behind Medicare — the plan whereby everyone drawing social security benefits would become entitled to a wide-range of government-provided medical services. The Medicare bill failed last session, and it is common knowledge that the President felt a deep anger at the rebuff. It is also likely that the new Medicare bill will be broadened, to provide the same benefits for several million people in the 65-and-over age group who are not within the social security program.

Some of the supporters of Medicare — and, to look at the problem more broadly, of other possible programs which would require more and more government involvement in the national health picture — have chosen as a weapon of argument that private medicine has failed to rise to the need. The other side of this story was recently told by Dr. George M. Fister, the new president of the American Medical Association. In his words, "Hippocrates, the great Greek physician, once said, 'Strong maladies require strong medicine.' These words have special meaning for the medical profession today — we must diagnose the malady and treat it with truth."

Dr. Fister then said that "... medicine stands as a proud symbol of the finest achievements of our competitive enterprise system," and reviewed a few pages of the record. Here are some of those pages:

About 4.5 million Americans are alive today who would be dead if the mortality rate of 25 years ago still prevailed. For the first time in history the life expectancy of Americans has exceeded the Bible's three-score-and-ten — it is now 70.2 years. Eighty per cent of the

## APPROACHING THE DEADLINE

drugs commonly now used were unknown a mere 10 years ago, and in the last two decades the United States has been responsible for more important drug discoveries than all the other nations of the world combined. Last year the prescription drug industry spent a record \$245 million in research — triple that of the average industry. There is now a record number of hospital beds in this country, and the average hospital stay is the lowest in history. A record number of new physicians — 7,168 — graduated from medical schools in 1962. In that year, infant mortality rates declined to a new — 25.3 deaths per 1,000 births. A record number of Americans — about 136 million are covered by voluntary health insurance and prepayment plans.

So the story goes. Dr. Fister does not think that our medical system is anywhere near perfect. He knows better than most of us how much more needs to be done. But he is convinced, as are legions of other authorities, that it can be done, and done most surely and effectively, under a free system, not a government-dominated system. So, he urges that the principles involved in the fight be stressed to the limit, and that every legitimate means be used to acquaint the American people with the record of achievement of American medicine in all its varied phases. For, he believes, "The people will respond to the truth..."

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

January 18, 1940

For several months past, work on the construction of the new municipal electric plant has been going on. George Schugman was the first to start operations and now has the distribution system practically finished. Poles are up and wires strung, transformers and other distribution apparatus are practically all set. Walter Wright says that with the exception of laying a small area of the walls, the building is finished, including plumbing and wiring. Today saw the arrival of the last diesel engine. Two engines arrived the first of the week and the last one Wednesday. Two of the engines weigh 28 tons each and the third one 18 tons. These are now being placed into position on their reinforced concrete bases. The switch-boards are still to arrive.

Grayling was represented at the Travel Exposition held in Convention Hall, Detroit, Sunday, Monday and Tuesday, by Redhead and Ernest Borchers. Monday and Tuesday Birdie Tebbetts and Snow Queen Pauline Merrill were honor guests at the Travel Exposition in the E. M. T. A. booth, and had much to say about Grayling Winter Sports to the crowd every afternoon and evening.

Some of the Lovells folks gave a farewell party for Mr. and Mrs. Clarence Stillwagon before they left for Alabama for the winter.

Miss Lucille Larson, who is home from Adrian, was hostess to the Just Us Club Wednesday evening. The hostess served a delicious lunch.

Mrs. Glenn Penrod was hostess to the Lake Margrethe Card club at her home last Wednesday afternoon. A delectable lunch was served to the guests.

Approximately 20 acres of second growth have been cleared along the western side of Grayling airport for the purpose of enlarging the area.

Mrs. Nickolin Schjotz was hostess to few ladies at her home Saturday afternoon, complimenting Mrs. Carl Sorenson and Mrs. Holger Hanson who left Sunday to spend the remainder of the winter in Texas. The afternoon was spent visiting and Mrs. Schjotz served a delicious lunch.

As a part of their youth program the Catholic Women's Guild are holding open house each Tuesday evening at St. Mary's parish hall for the boys and girls of junior age of the parish. Tuesday night was the first open house and there were some 25 boys and

girls congregated and enjoyed games and music by a Victrola and sang songs. There is a library in the hall with books and magazines that may be taken home and returned the next week. Soon the ladies hope to have three ping pong tables for the young folk.

The crew at the Grayling Fish Hatchery have started graveling the fish ponds. The gravel is put on top of the ice and when the ice melts the gravel is evenly distributed at the bottom of the ponds.

Snow Queen Pauline Merrill is spending today, Thursday, in Alpena, as are other queens of the North, the guests of the Alpena Chamber of Commerce. This evening at the Alpena Theatre the Snow Queen of the North will be chosen.

Twelve ladies were seated at a long table centered by a lovely arrangement of yellow rose buds and ferns at a luncheon given by Mrs. Emil Giegling for her bridge club Wednesday afternoon. High scores for bridge which followed were held by Mrs. Harold Cliff, Mrs. Roy Milnes and Mrs. George Olson. Mrs. Cliff and Mrs. Ernest Hoesli were guests of the club.

Grayling Loyal Order of Moose, who want to do something for the boys and girls of Grayling, are making plans to build a community skating rink and they hope to have 25 men out next Sunday morning to begin work on the project. It will be located on the south side of the river in the vacant lot facing on US-27. The Moose members have agreed to do the work and the city will co-operate by furnishing water and electricity to flood it with. Amos Hunter and Middle LaMotte were named by the Moose as a committee to see that the rink is built and they hope that goodly number of members will show up. This is a fine idea and no doubt those who enjoy skating will be waiting anxiously for the time when it will be ready to use.

Mrs. Robert Bancroft was honor guest at a shower given by Mrs. Taylor Loper at her home Monday evening. Bunco was enjoyed during the evening, with Mrs. Richard Thompson, Mrs. Frank LaVack and Mrs. Otis Cook receiving the honor scores. The hostess served refreshments later in the evening.

Mrs. Roy Milnes was hostess to her bridge club Saturday afternoon at a very attractive luncheon. A fat little snow man surrounded by little green pine trees centered the long table at which the guests found their places with place cards representing snow men. Miss Margrethe Bauman was the honor lady for bridge which followed the luncheon.

When Mr. and Mrs. Sam Loper return home this afternoon from being out in the woods after a load of wood they will find no home awaiting them as it burned to the ground together with its contents about 2 o'clock this afternoon. The building was a garage on the property of Otis Cook and owned by him and the Lopers lived in part of it. It is reported that a spark from a stove started the fire.

George Lietz spent Sunday visiting Miss Martelle Ison in Mt. Pleasant.

Mr. and Mrs. Edward Creque Jr. and children of Flint visited at Grayling over the weekend coming for winter sports.

Wilhelm Anderson of Flint, a former Grayling boy, was shaking hands with old friends Sunday, coming on the Snow Train.

Warren McDonald of Port Angeles, Wash., arrived Monday and is visiting at the home of his daughter, Mrs. Clara Madsen and family. Mrs. McDonald has been here for several weeks, coming to spend the winter with her daughter.

The weather played havoc with the winter sports Sunday when in the morning a slight rain started falling, changing to a wet snow. Monday morning saw a complete change, with a lower temperature and heavy snowfall, and a

guest at a shower given by Mrs. Taylor Loper at her home Monday evening. Bunco was enjoyed during the evening, with Mrs. Richard Thompson, Mrs. Frank LaVack and Mrs. Otis Cook receiving the honor scores. The hostess served refreshments later in the evening.

Warren McDonald of Port Angeles, Wash., arrived Monday and is visiting at the home of his daughter, Mrs. Clara Madsen and family. Mrs. McDonald has been here for several weeks, coming to spend the winter with her daughter.

The weather played havoc with the winter sports Sunday when in the morning a slight rain started falling, changing to a wet snow. Monday morning saw a complete change, with a lower temperature and heavy snowfall, and a

wind velocity of 40 to 50 miles an hour. Snow plows were kept busy all day on the highways and city streets keeping the roads clear for traffic. Wednesday morning the thermometer dropped to 3 below at 6 o'clock and stayed around zero all day. This morning the temperature still dropped lower. 10 below at 6 a.m. The sun is shining brightly and the thermometer is slowly rising.

Paul H. Young, well-known Detroit sportsman and authority on fly fishing has been appointed Wild Life Editor of Northern Sportsman. Mr. Young came to Detroit more than 25 years ago. His entire life has been devoted to all types of fishing, but he is better known for the great part he has played in popularizing fly fishing. The new wild life editor will be assisted by his son, Paul A. Young, a student at the University of Michigan. The latter is an ardent student on Natural History and will conduct a monthly page devoted to this topic.

If Wide-Track is as hot as  
Pontiac says, why don't they  
put it in their Tempest?

They just did.

We can take a hint. When people are as happy with something as Pontiac owners are with Wide-Track, we're willing — nay, eager — to let everybody else in on it. That's why Tempest has a Wide-Track of its own this year. It's why you got to choose between a lively 4 and a 326-cu. in. V-8, too. We aim to please — and if we do say so, we're pretty accurate. \*Optional at extra cost.

Now there are two kinds of Wide-Track cars... Pontiac and Tempest

# Hospital Auxiliary News

Mercy Hospital Auxiliary members numbering twenty-two met last Thursday for their regular meeting, and spent the early part of the afternoon doing work on hospital supplies. At the business meeting the new officers took over, President Mrs. Ernest Noren-

berg presiding. She named Mrs. Harold Lee as Flower Fund Chairman, and Mrs. Wilfred Laurant as Publicity and Scrapbook Chairman. There was discussion of a more extensive membership drive to be held in the near future. Mrs. Laurant and Mrs. Laura McLeod were the lunch committee for this meeting.

# BITS O' TALK

Mr. and Mrs. Jim Wakely left Monday afternoon to spend the winter in Santa Ana, California, visiting their daughter Jill, the Mike Goodrich family.

Harold Cliff returned home Sunday from Detroit. On Monday Mrs. Cliff was released from Harper Hospital and is at the D. W. Horning home in Northville while she is recuperating.

Mrs. Willard Cornell entertained with a bridge luncheon on Saturday. Two tables of cards were in play. Prizes went to Mrs. Walter F. Truettner, high and Mrs. Robert Hayes second high.

Mr. and Mrs. George Skingley spent Sunday and Monday in Traverse City visiting their daughter and family, the Eric Rokoses and children.

Mr. and Mrs. Grover Cox and son Pat attended the funeral of Mr. Cox's nephew by marriage, Theodore Comps, on Saturday in Pontiac. Mr. Comps, who was 57, passed away suddenly on Wednesday following a heart attack.

Jon Bond and Pat Cox of CMU, and Hans Andrews of MSU, were home for the weekend, and with Fall Fallon played for the Snow Valley Ski Lodge Saturday night.

The Harrison Goodhues of Birmingham were at their AuSable River home over the weekend.

Of interest to the bird-watchers is the fact that Mrs. Harry Souder has 16 evening grosbeaks at her home and Mrs. Bruce Carlson saw three golden crown kinglets at hers.

Miss Karen Hubbell, daughter of the Basil Hubbells, celebrated her 9th birthday on January 9th.

Mr. and Mrs. Bernard Miller and family of Flint were the weekend guests of Mr. and Mrs. Marvin Miller.

Mr. and Mrs. Ezra Sanders visited their daughter, Mrs. Harold Olmstead, in the hospital at Coldwater Saturday and Sunday. Mrs. Olmstead is seriously ill, and was moved to Ann Arbor on Monday.

Mrs. Walter Mikeseil returned home Sunday afternoon after spending a week in Okefenokee with her daughter and family, the Richard Kleins, Kent, Leslie, Craig, and new baby Joel. She visited the Robert Strongs in Mt. Pleasant en route.

Mr. and Mrs. Bob Pratt have purchased the Cary Shaw house on Mikado street, and moved in on Saturday.

# CHRISTMAS PARTY

The Gaylord North Michigan TB Nurses home was host to the North Central Registered Nurses. Santa Claus's presence made all those present very happy as none were forgotten on his list. A delicious lunch was served, and the Christmas Spirit carried thru the whole evening.

The Sisters at Mercy Hospital wrapped the Christmas gifts from the North Central District and these were distributed on Christmas morning to the patients in the Mentally Retarded section of the TB San in Gaylord. The district nurses wish to give a special thanks to Sister Mary Henry and Sister Mary Janice for the beautifully wrapped gifts.

# Homo Extension News

The Budgeteers Home Extension group met January 8th at the home of Mrs. John Wilcox, with 9 members present. The evening was spent discussing future projects. Mrs. Milford Moggo was winner of the penny prize.

There will be a card party on January 26th at the home of Mrs. Clayton Hildebrandt at 8 p. m. The next regular meeting of the group will be on January 22nd at Mrs. Milford Moggo's home.

Martha Bancroft, reporter

Mrs. Don Bobenmoyer was hostess on January 8th to the Penny Pinchers Home Extension group. Mrs. Earl Broadbent showed the members how to make very useful

aprons of cloth and paper napkins. Mrs. Lyle Johnson read the treasurer's report and also won the penny prize.

Discussion of the Student Exchange was led by Mrs. Harold Dykema.

Mrs. Frank May will be hostess on January 22nd. Please bring your bleach bottles.

# 1963 RAMBLER WINS "CAR OF THE YEAR" AWARD

from Motor Trend Magazine

Each year the automobile industry eagerly awaits the selection of one car as "Car of the Year" by Motor Trend's impartial experts. For 1963, this most-wanted, hardest-to-get honor goes to Rambler...for outstanding design achievement and engineering leadership. Read why Rambler won this prized award over all other cars.

Here are some of the experts' reasons:

"New styling is based on lean, clean lines that are apparent from almost any angle."

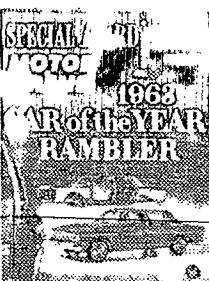

"Motor Trend's Cars of the Year prove their mettle in actual testing, confirm their engineering excellence, reliability, sturdiness and performance."

"Quality has always been one of American Motors' largest selling points."

"In unitized bodies, which American Motors pioneered, this latest design represents a real advancement...biggest single reason we chose Rambler Car of the Year."

"This new construction method results in a unit so strong it'll take punishment longer and naturally hold its resale value."

"The interiors of both the Classic and Ambassador are roomy and comfortable...offer plenty of legroom."

"A good safety device. Self-adjusting brakes and dual master cylinders...if one system fails, the other brings the car to a safe stop."

"Trunk is large. Low loading lip makes it simple to load."

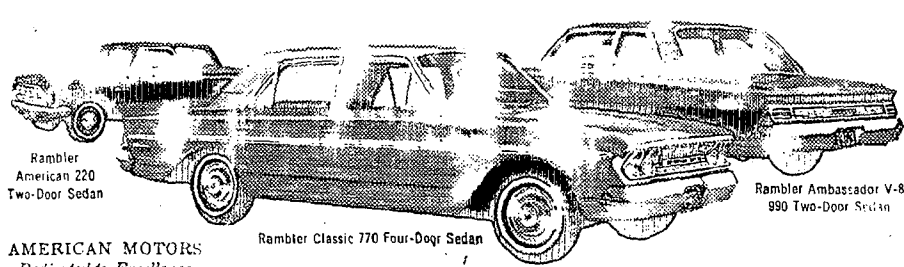

"Our Classic...with the rugged, oliv in-line Six...gave a high of 26.7 mpg highway cruising...mixed city and freeway gave 23.4."

"A sportier, more performance-oriented vehicle, the Ambassador V-8 should satisfy the wants of the Rambler buyer who favors performance."

"There isn't any pitch or chopiness noticeable even on rough roads."

"Summing up...it looks like the new Rambler will be an even better buy than it has been in previous years."

Why don't you look at the 1963 Rambler? Best-selling Rambler ever built!

## Chamber of Commerce Minutes

Regular meeting of the Crawford County Chamber of Commerce on December 27, 1962.

Members Present: Frank Bond, Jack Aft, Don Jansen, Herb Wolff, Leon Rochette and Sal True.

Members Absent: Sam Gust, Dick DuBois and Carroll West.

The meeting was called to order at 5:05 P. M. by President Aft.

There was a motion by Jansen and seconded by Wolff that the minutes of the last meeting be approved as printed.

Allayes

No Treasurer's report was made.

Books are still in the hands of auditors.

The application and check of the A & P Store for membership was presented to the Board for approval. A motion was made by Jansen and seconded by True that this membership application be accepted.

Allayes

No Mail.

Old Business:

The Manager reported to the Board that Mr. Charles Krohn's willingness to be the New Products Chairman for Michigan Week and that Best Archery would use the postal advertising slogan in their postal meter. President Aft reported that he and Postmaster Jim Post were exploring using a similar device in the post-office cancellation machine. This idea would be in commemoration of the 50th Anniversary of the Michigan Guard Division of the following:

The Board was informed of the immediate action on the part of Bruce Carlson, Crawford County Road Superintendent, regarding closing of M-93 and the blanking of the exit and service signs on I-75. Shortly after this road was closed, Mr. Carlson contacted the State Highway Department requesting that they consider continuing the preparatory work and maintaining traffic. The State Highway Department complied. The signs have been unmarked, road barriers are down, this portion of I-75 Business Loop is again open to traffic with no delay in construction work.

Participation in East Michigan Tourist Association weekly snow report was discussed. A motion was made by Bond and seconded by Jansen that the Manager solicit one half of the cost. When this was done the Chamber would furnish the additional \$25.00.

Allayes

The new county map was discussed. The Board was informed of the several telephone calls requesting a firm reservation of advertising space.

There was a motion by Bond and seconded by Jansen that this meeting be adjourned at 5:45 P. M.

23 Years Ago

(Continued from Page 3)

and made comfortable. It was some long-ago, when a switchboard transfered the switchboards and recoupled the wires. This was done Saturday night. Telephone service was entirely off during that time and but a few people knew it. The transfer required about nine hours. A new 100-line switchboard has been added to the other switchboard nearly doubling the capacity of the plant. Melvin A. Bates is the proprietor.

Lorane Sparks, who has been employed as car checker for the M. C. R. R., left Tuesday for Chicago, where he expects to take a three months' business course at a college there.

Mrs. Elf Rasmussen of Detroit arrived Thursday to spend a couple of weeks visiting her parents, Mr. and Mrs. Jens Elertsen. Will Schreiber, son of Mr. and Mrs. Hugo Schreiber, arrived here from his home in Wheat Centre, Western Canada, for a three months' visit with his parents.

Mr. and Mrs. Axel Michelson arrived in Grayling Wednesday from a wedding trip to Panama, Cuba and other parts.

Ray Amidon of this city and Miss Olive Anstutz of Petoskey were united in marriage at the latter place Tuesday afternoon. Mr. and Mrs. Amidon arrived here Wednesday with the groom's parents, Mr. and Mrs. Charles Amidon, who were in attendance at the wedding.

Miss Hattie Gierke left Friday to visit her brother Frank and family at Thompson, Mich., in the Upper Peninsula. Word had been received that Frank had suffered injuries while at work in a mill in that city. Mr. Gierke will be remembered here as he was proprietor of the barber shop now owned by Walter Cowell.

Frank Tetu is confined to Mercy hospital with injuries he received while at work at the Dupont Powder Co. plant. The glove of his left hand got caught in the gearing of a machine. He was hurried to Mercy hospital where it was learned that his left arm was broken in two places at the wrist and just above the elbow.

Miss Marion Salling has been acting as substitute teacher in the lower fifth grade for a part of the week.

From Rebecca Curry, Grovetown, Indiana: I remember the log cabin I lived in as a child. The huge fireplace we children hung our stockings from will never be forgotten. I remember my mother baking potatoes in a covered Dutch oven beneath the hot embers on the hearth.

We children walked two miles to school. Sometimes my father would take us and all the children along the way, in a big box sled drawn by two big horses. We never minded when the snow was too deep for us to walk and were never late for school.

I recall seeing my grandmother carding wool and using the spinning wheel. She also made carpet on a loom. Rag carpets were used in those days, wall to wall, and had to be tacked down with carpet tacks. Newspapers were used for padding and a carpet stretcher pulled the carpet tight.

It was great fun on Saturdays to go to watch the men roll huge logs down the hill to the road to be loaded on wagons drawn by oxen, for delivery to the sawmill nearby.

In the autumn, we'd take lunches and go on outings, the whole family, to gather chestnuts and those big, hard, hickory nuts that were good to eat in winter time.

In the summertime, we children herded sheep on the hillside, taking along a book to be read in the shade when it was our time to rest. School began in July and was out in February, as roads were often impassable in the Spring.

Give for the life of a child!

It is possible that every child can be born into this world free from physical or mental defects?

Is it possible that there can be a cure or a preventive for arthritis, an affliction which has plagued people of all ages since the dawn of mankind?

These two questions—which concern every family everywhere—are the prime challenges of research supported by your March of Dimes... research which already has produced two polio vaccines and two Nobel prizes.

The answers will not be found for some time. To help speed the quest, The National Foundation-March of Dimes finances a nationwide, multimillion dollar research program and helps support the Salk Institute for Biological Studies in San Diego, Calif., where world-renowned scientists will study and work together to solve the most fundamental problems in the life sciences.

Until these problems are solved, your March of Dimes must devote millions of dollars each year to saving lives and alleviating suffering—helping patients afflicted with birth defects, arthritis and polio through direct aid as well as a rapidly expanding nationwide network of study and treatment centers which provide the best, most modern medical care possible.

## Supervisors' Proceedings

December Special 1962

Meeting of the Board of Supervisors for the county of Crawford held in the Court house in the city of Grayling, on the 27th day of December, 1962.

Meeting was called to order by the Chairman, Wm. T. Miller.

Roll called, by Townships and City.

Beaver Creek Township Supervisor Carl Freund, Present.

Frederic Township Supervisor Ray Murphy, Present.

Grayling Township Supervisor B. J. Fowler, Present.

Lovely Township Supervisor Wm. T. Miller, Present.

Maple Forest Township Supervisor Arno L. Piagens, Present.

South Branch Township Supervisor Tom DeWitt, Present.

City of Grayling Supervisor Emil Giegling, Present.

City of Grayling Supervisor A. L. Roberts, Present.

Invocation by Supervisor Piagens, Chaplain.

The Special Committee on Jail which was appointed at the last meeting gave a very fine report to the Board.

Mr. Field, an Architect from Traverse City explained the methods of getting help from the Government and his view points on this kind of a project.

Moved by Giegling and supported.

"Read The Avalanche"

Better insurance at LESS COST?

Yes—it's often possible. Unfortunately many people think that insurance improvement always means additional expense. Actually, recent developments in packaged insurance and other cost-saving techniques frequently make it possible to provide broader insurance at less cost! Why not let us review your program for possible savings? No cost or obligation, of course.

# WINTER WOES

While driving his car, Mr. Prale, Hit a cop on his beat near the jail.  
 The cop said "You jerk!  
 Your wipers don't work!  
 Pretty soon you'll be walking...on bail!"

# PREVENT THOSE WINTER DRIVING WOES

The National Safety Council says: "Be sure your wiper blades are in good, live condition, and have arm pressure of one ounce per inch of blade length to sweep snow and sleet off instead of sliding over it." Dead blades may make dead drivers. Check defroster, too. You must see a hazard to avoid it.

# KAY STEPHAN IS BRIDE OF ENSIGN

D. W. W.

Miss Kay Allaire Stephan and Ensign Ronald Wallace Walker exchanged marriage vows Saturday evening, December 29th, at the First Methodist Church, Cadillac, with Rev. Harold Kirchenbauer officiating.

The ceremony was performed before an altar decked with white fugi mums, pink carnations and pink sweetheart roses.

The bride is the daughter of Mr. and Mrs. S. G. Stephan of Cadillac. Parents of the groom are Mr. and Mrs. Kenneth Walker of Howell.

Soloist Les Moyer sang "The Wedding Prayer" and "The Lord's Prayer." Mrs. William Slaughter was the organist.

The bride, given in marriage by her father, wore a white A-line gown with beaded pearls and French lace. The gown ended in a chapel train. A crown of seed pearls and orange blossoms held her finger tip veil of illusion. She carried a cascade bouquet of white orchids and white fugi mums.

Miss Barbara Green of Alma was the bride's honor attendant. Freya Nierescher of Fenton and Miss Jane Dykhouse of Charlotte were the bridesmaids.

Attending the groom were, his brother, Thomas F. Walker of Howell as best man and Richard Tinsley of Columbus, Ohio, and Robert Mauk of Howell as groomsmen.

Seating the guests for the ceremony was Michael Stephan of Cadillac, brother of bride.

A reception was held immediately following the ceremony at McGuire's. The couple will be at home after Sunday at Pensacola, Fla., where the groom is stationed with the United States Navy.

The bride is a graduate of Cadillac Senior High School and Central Michigan University. The groom is a graduate of Howell High School and Central Michigan University.

# LOCALS

Mrs. James Eaton was called to Lansing on Tuesday of last week because of the illness of her mother, Mrs. Wayne Hagerman and her brother Jack Hagerman who was in critical condition in Sparrow Hospital.

The Dale Halls spent the holidays with their daughter, Mr. and Mrs. Loren Vogt and family in Charlotte and on Christmas Eve received a welcome phone call from their daughter Lois, Mrs. Larry Davis of Pensacola, Fla.

Mr. and Mrs. Earl Isenhauer, Susan and Gary spent Sunday, the sixth visiting their daughter, Vette, the Ivan Davis Jr. family, in Harbor Springs.

Mr. and Mrs. Mike Lapka and Mr. and Mrs. F. E. Wiehe and granddaughter Wendy Lou Elzinga spent Tuesday of last week in Bay City.

Cecil M. Abbott, superintendent of Saginaw Steering Gear General Motors Division left late in December for an assignment in Buenos Aires, Argentina, where he is to establish a steering gear manufacturing department in a General Motors Overseas Operations plant. Abbott, a 37 year veteran, with Steering Gear was accompanied by his wife. They are to return to Saginaw in the spring when he will resume former duties. Mr. Abbott, a former Grayling resident, attended Grayling High School. His sister, Mrs. Dan Kolka, with daughter Donna and grandson Allen Landskeonor went down to bid him good-bye and spent Christmas.

The Big Wheel Restaurant under new management, Mr. and Mrs. John Howe welcome you.

Mr. and Mrs. Dan Kolka, daughter Donna and grandson Allen Landskeonor spent several days in Saginaw returning Monday of last week. Ben Carpenter accompanied them and in company with his wife who is employed at the Saginaw School for the Blind went on to Grand Rapids to visit their son who was hospitalized there. Ben returned to Grayling with the Kolkas.

Missionaries, Lois Nantz and Shirley Sommers of West Branch, visited the Olins Tuesday, January 8th. This was a pleasant surprise after an erroneous report that Lois had been seriously ill in the Ann Arbor hospital.

The Rev. and Mrs. Donald Beyer and children Paul, Jonathon, Anna and Elizabeth are enjoying a three week vacation in Florida. Pastor Elmer Schneck of St. John's Lutheran Church of Houghton Lake is in charge of the services during his absence.

## Birth Defects from Thalidomide Spur Mothers in March of Dimes

Grave concern about the widespread problem of birth defects, recently spotlighted by tragic infant deformities caused by the drug, thalidomide, will inspire some two million March of Dimes supporters to seek their neighbors' support for the 1963 March of Dimes during the last week in January.

For volunteers in the Mothers' March, this concern is not a recent development. The National Foundation-March of Dimes, which observes its 25th anniversary this year, began to attack the long neglected field of birth defects back in 1938. Then, as now, medical authorities recognized that birth defects, in hundreds of disabling forms, overshadow all other child health problems. Every year, more than 21,000 deaths throughout the United States are caused by defective prenatal development. Every year, more than a quarter of a million babies arrive despite significant defects.

To bring expert help to such children all over America, The National Foundation-March of Dimes has a treatment program well under way.

Also in 1958, the March of Dimes organization initiated a program in the field of birth defects which has since been expanded and shrugged off by the public as an inevitable hazard of aging, despite the fact that its severest form strikes children and young adults with alarming frequency.

This year, Marching Mothers will proudly report to their neighbors that a nationwide network of March of Dimes-financed study and treatment centers for birth defects and medical care is operating at full capacity. Nearly 50 such centers are now open in communities across the country—double the number that were in existence just a year ago, and only the beginning of the network envisioned.

In addition, seven respiratory centers are maintained for

WHY IT IS WORTH IT—Marching Mothers believe every child's birthright entitles him to a full, useful life. They will brave the elements late in January to seek public support for the March of Dimes which finances treatment centers and research for victims of birth defects and crippling arthritis.

polio victims for whom the abnormal conditions in time came too late. And for thousands of polio patients, it is still a prime responsibility of the March of Dimes. The birth defects and arthritis centers supported by March of Dimes contribute to the phasing out of the very beginning of life itself—the goal of research scientists whose work is supported by March of Dimes grants. They are adding constantly to the treasury of medical knowledge of how best to treat and, ultimately, to prevent crippling conditions that take such a grim toll of our children's health.

As they pin on their badges bearing the symbolic "Golden Key of Hope," Mothers' March volunteers are convinced that a concerted effort of the public in partnership with science—as persistent as the program that triumphed over polio—can speed the day when the problems of birth defects and arthritis will be solved.

### BITS O' TALK

Miss Lillian Hoffman expected to return to work at the A & P store this week, after having been recuperating since the removal of her tonsils at Mercy Hospital on December 29th.

Crawford County Chamber of Commerce manager Robert Hayes attended one day of a two day meeting at a lodge on McCallum Lake 9 miles northeast of Fairview last Thursday. The session was attended by representatives of industry, government and universities, who were looking over ways of speeding the economic growth of the area.

The Big Wheel Restaurant under new management, Mr. and Mrs. John Howe welcome you.

Mother Andre of St. Mary's School attended the funeral of her mother, Mrs. Laura LaPlante, at services held at St. Mary Magdalene church in Hazel Park at 9:00 a. m. on Tuesday, January 8th. Mrs. LaPlante passed away unexpectedly following a heart attack on the January 5th. Fr. Thomas of St. Mary Magdalene parish conducted the solemn high mass, assisted by three other priests.

Gene Bristol has returned to Michigan State University for the winter and spring terms.

### Missionary League Views Film

The Woman's Missionary League of Mt. Hope Lutheran Church met at the Parish Hall on January 8th. Harry Miller showed a very interesting film on the Bethesda Lutheran Home for Retarded Children at Watertown, Wisconsin, showing some of their needs. As a result, making clothing and other articles needed by the children is the work project for the April meeting.

Mr. and Mrs. William Mosher were in Hale Wednesday evening of last week, where they attended a dinner honoring her father, John H. Johnson, who was a charter member of O.E.S., Hale Chapter No. 482. Mr. Johnson was presented a life membership certificate.

Mr. and Mrs. Arthur Mingus and Mrs. Lucille Hewitt of Grand Ledge spent the weekend visiting Mr. and Mrs. George Schaeble, Sr., and the Bill Kinkerters. Both families moved to Florida, January 5th where he has employment. Their address is Box 137, St. James City.

Mrs. Ella Wilcox and daughter Nancy returned home Saturday from Chicago where they had spent ten days on business. They picked up Mrs. Oscar Hanson in Bay City and brought her back home, after spending since Christmas with her other daughter and husband, the Richard Sydners.

Mrs. Minnie Hartley spent the weekend in Bay City where she visited her brother William Love at Bay City General Hospital and in Rose City visiting her daughter and family, the John Seleskys.

Mr. and Mrs. Leland Smock spent the weekend in Marquette visiting his mother, Mrs. Almira Smock.

The Dr. Ralph Steffes of Flint spent the weekend at their home here.

The Misses Bessie and Dora Feldhauser have purchased the house located at 609 Park Street from the Alexander Kornekys of Bay City and moved in last Wednesday.

Mr. and Mrs. William Gannon of Marquette are the parents of an 8 pound 7 ounce son, Patrick Joseph, born to them January 7th. The grandparents are Mr. and Mrs. Leo Gannon and Mrs. Almira

### Chiropractic Health Hints . . .

Headaches, nervous tension, colds, flu, sinus conditions, or just that run down feeling are just a few of the conditions which may be due to misaligned Vertebrae. Misaligned vertebrae can and do cause pressure on the nervous system, thus interfering with proper nerve function. Improper nerve function may cause any of the above conditions.

Your Chiropractor is trained in locating these misaligned Vertebrae. By correcting the misalignments, the cause of your health problem is corrected. The innate or natural powers of the body are released and health returns.

"To enjoy Better Health Consult Your Chiropractor."

Dr. John E. Fiedler

### Vikings

(Continued from Page 1)

11 lead over Grayling in the first period but a 12 to 6 second frame brought Grayling closer at half-time trailing only 27 to 23. In the third frame, Grayling scored 14 to the host team's 12 to edge nearest 39 to 37. A big 13 to 5 final quarter won the game for the green and white.

Richard Smith with 17 and Dan Feldhauser with 12 were both in

the double figures for Grayling. Walt Nielson added 9, Curt Feldhauser 8, Mike Auer 4 and Ed Robertson a total of 10. Ed Robertson with 18 was high for the Hornets.
